

***“May  
they be well.  
May they be happy.  
May they be peaceful. May  
they be loved. May any sadness,  
unhappiness, ego, or fear, be  
removed from their minds, bodies,  
and souls. May it be replaced  
with pure love, pure happiness,  
and pure peace with an  
abundance of all  
good things.”***
